

TRANS-ATLANTIC STEAMSHIP LINES

GENERAL INFORMATION

FARES—Only minimum steamship ocean fares are quoted herein. Fares for accommodations other than at the minimum rates shown may be obtained on application to the respective Steamship Lines or their authorized agents.

PASSPORTS—All passengers must have valid passports. United States citizens must apply to the U. S. Passport Officer located in Washington, New York, Boston, Chicago or San Francisco **or** to the Clerk of a State or a Federal Court exercising naturalization powers in the districts in which they reside. Aliens must apply to their respective consulates.

VISAS—A "Visa" is a stamp of approval on a traveler's passport by an official of the country to be visited. Requirements vary with the countries concerned. Some do not require a person holding a United States passport to secure a visa, others grant such a visa without charge, while still others affix a visa only upon payment of a stipulated fee. Detailed information should, in each instance, be secured from the respective Steamship Lines or their authorized agents.

RE-ENTRY PERMITS—All resident aliens leaving the United States and intending to return must secure in person a "Permit to Re-enter." Application Form I-131 must be filed, in duplicate, with the appropriate Immigration and Naturalization Service field office or the District Director having jurisdiction over the alien's place of residence, at least 30 days before the proposed date of departure.

SAILING PERMITS—All passengers, other than U. S. citizens, must obtain an Income Tax Clearance Certificate (Sailing Permit) for which application should be made in person, not earlier than one week before sailing, at the nearest office of the Collector of Internal Revenue in the district in which the departing alien resides, or in New York at the Alien Income Tax Division, 292 Madison Avenue, Corner 41st Street, Room 500. The office hours are from 9 a.m. to 5 p.m., Monday through Friday; closed on Saturdays. Passport and steamer ticket must be submitted, together with copies of income tax returns for the last three years, and a statement of current income and withholding tax. All passengers in transit without stop-over privileges will be examined at the pier. It is recommended, however, that all others procure their sailing permits in advance, as examination by the U. S. Revenue Investigator at the pier may involve considerable delay.

UNITED STATES HEAD TAX—\$8.00 U. S. Head Tax per person must be collected on westbound passage contracts; return portion of round trip tickets and prepaid tickets excepting as follows: 1—United States citizens, 2—Children under 16 years of age when accompanied by a parent, 3—Passengers proceeding in-transit through the United States en route to another country holding a Section 3 (3) visa, 4—Foreign Government Officials holding Section 3 (1) or Section 3 (7) visa.

SHIPS BETWEEN U. S. PORTS AND EUROPE VIA HALIFAX OR VIA ANOTHER U. S. PORT OR VIA A MEXICAN PORT—United States Transportation Tax of 15% is payable on that portion of the trans-Atlantic fare paid in the United States which covers the voyage in either direction, between U. S. ports and Halifax, or between one U. S. port and another U. S. port, or between a U. S. port and a Mexican port.

SMALLPOX VACCINATION—All passengers (including those booked on this side for a round trip voyage), U. S. citizens as well as aliens, arriving in the United States must present to the U. S. Public Health Service a certificate from a competent physician showing that they have been vaccinated against smallpox within three years prior to date of entry. The certificate must state the type of reaction—a certificate of "No reaction" is not acceptable. A blank form for an acceptable certificate may be obtained from the respective Steamship Lines or thru authorized agents. Certain countries in Europe also require such certificate at time of entry.

All passengers arriving at Canadian Ports are required to submit to the Canadian Quarantine Authorities written evidence that they have been vaccinated against smallpox within three years prior to date of arrival. The certificate must state the type of reaction—a certificate of "No reaction" is not acceptable.

CANADIAN REQUIREMENTS—All passengers sailing from or to Canada in ships terminating at Canadian Ports must likewise be in possession of valid passports, duly visaed where necessary. Canadian citizens, resident in Canada apply to Passport Officer, Department of External Affairs, Ottawa, other nationals to their respective High Commissioners or Consulates in Canada. Canadian residents exporting funds are required to be in possession of Travel Permit Form "H" issued by authorized dealers of the Foreign Exchange Control Board of Canada. Baggage of all passengers sailing from Canadian ports is subject to examination by Canada Customs Officers for the purpose of preventing the illegal export of currency, stocks, bonds and other media of exchange. Westbound passengers proceeding to the U. S. A. via Canadian ports must be in possession, prior to sailing, of all necessary documents covering their entry to the United States of America.

MISCELLANEOUS—Detailed information concerning the above requirements, also regarding childrens' and servants' fares, baggage, regulations on exchange of money, exportation of foodstuffs and tobacco, European port taxes, and transportation of pets, automobiles, etc., should be secured from the respective Steamship Lines or their authorized agents.
