**GENERAL INFORMATION**

**FARES**—Only minimum steamship ocean fares are quoted herein. Fares for accommodations other than at the minimum rates shown may be obtained on application to the respective Steamship Lines or their authorized agents.

**PASSPORTS**—All passengers must have valid passports. United States citizens must apply to the U.S. Passport Officer located in Washington, New York, Boston, Chicago or San Francisco or to the Clerk of a State or a Federal Court exercising naturalization powers in the districts in which they reside. Aliens must apply to their respective consulates.

**VISAS**—A "Visa" is a stamp of approval on a traveler's passport by an official of the country to be visited. Requirements vary with the countries concerned. Some do not require a person holding a United States passport to secure a visa, others grant such a visa without charge, while still others affix a visa only upon payment of a stipulated fee. Detailed information should, in each instance, be secured from the respective Steamship Lines or their authorized agents.

**RE-ENTRY TO THE UNITED STATES**—A resident alien leaving the United States for a period not exceeding one year may re-enter upon presentation of his Alien Registration Receipt Card (Form I-151). If he intends to remain out of the United States more than one year, he must obtain a "Permit to Re-enter" (Form I-132) from the Immigration and Naturalization Service field office or the District Director having jurisdiction over the alien's place of residence, at least 30 days before the proposed date of departure.

**SAILING PERMITS**—All passengers, other than U.S. citizens, must obtain an Income Tax Clearance Certificate (Sailing Permit) for which application should be made in person, not earlier than one week before sailing, at the nearest office of the Collector of Internal Revenue in the district in which the departing alien resides, or in New York at the Alien Income Tax Division, 484 Lexington Ave. (Grand Central Palace Bldg) at 46th Street. The office hours are from 9 a.m. to 5 p.m., Monday through Friday; closed on Saturdays. Passport and steamer ticket must be submitted, together with copies of income tax returns for the last three years, and a statement of current income and withholding tax. All passengers in transit without stop-over privileges will be examined at the pier. It is recommended, however, that all others procure their sailing permits in advance, as examination by the U.S. Revenue Investigator at the pier may involve considerable delay.

**SMALLPOX VACCINATION**—All passengers (including those booked on this side for a round trip voyage), U.S. citizens as well as aliens arriving in the United States must present to the U.S. Public Health Service a certificate from a competent physician showing that they have been vaccinated against smallpox within three years prior to date of entry. The certificate must state the type of reaction—a certificate of "No-reaction" is not acceptable. A blank form for an acceptable certificate may be obtained from the respective Steamship Lines or thru authorized agents. Certain countries in Europe also require such certificate at time of entry.

All passengers arriving at Canadian Ports are required to submit to the Canadian Quarantine Authorities written evidence that they have been vaccinated against smallpox within three years prior to date of arrival. The certificate must state the type of reaction—a certificate of "No reaction" is not acceptable.

**CANADIAN REQUIREMENTS**—All passengers sailing from or to Canada in ships terminating at Canadian Ports must likewise be in possession of valid passports, duly visaed where necessary. Canadian citizens, resident in Canada apply to Passport Officer, Department of External Affairs, Ottawa; other nationals to their respective High Commissioners or Consulates in Canada. Westbound passengers proceeding to the U. S. A. via Canadian ports must be in possession, prior to sailing, of all necessary documents covering their entry to the United States of America.

**MISCELLANEOUS**—Detailed information concerning the above requirements, also regarding children's and servants' fares, baggage, regulations on exchange of money, exportation of foodstuffs and tobacco, European port taxes, and transportation of pets, automobiles, etc., should be secured from the respective Steamship Lines or their authorized agents.
