

Comfort, Convenience for Every Passenger

Economy coach travel offers restful, roomy deep-cushioned seats and a host of other new features aboard the Texas Eagle.

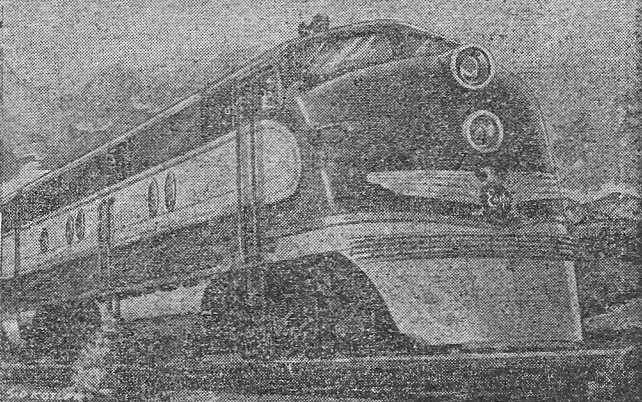

The bed comes out of the wall in the roomette—a popular Texas Eagle accommodation designed for the individual traveler.

Spacious and luxurious Texas Eagle bedrooms provide the ideal accommodation for families or business groups.

Mealtime on the Texas Eagle means delicious food, courteously and skillfully served in a setting of tasteful beauty.

On The TEXAS EAGLE

That's the way The Texas Eagle was planned from the start—to assure a convenient, restful, thoroughly pleasing journey for every passenger on every trip.

You can offer your patrons a variety of accommodations aboard this swift Missouri Pacific streamliner—luxurious, reclining coach seats, the privacy of roomettes or bedrooms, smart new dining and lounge cars. Whichever they choose, wherever they ride aboard the Eagle they will see, feel and appreciate the results of careful planning for convenience and comfort. They will understand, too, why The Texas Eagle—still new enough to be travel news—is already a southwestern travel favorite.
